Obsolete Product Information

Please be advised that select 3243L and 4243L open frame part numbers are discontinued. While we work to minimize product changes, shifts in product demands can drive portfolio changes. When this occurs, we try to offer a suitable replacement product with equal or better specifications. Please see the table below for the suggested replacement.

Inventory and Last Time Buy

Please note that remaining inventory will be available on a first come first served basis. We will work closely with current customers to navigate this transition.
