## EOL Notice: IDS 02-Series Non-Touch Part Numbers

### Obsolete Product Information

Please be advised that all IDS 02-Series non-touch part numbers are discontinued. While we work to minimize product changes, shifts in product demands can drive portfolio changes. When this occurs, we try to offer a suitable replacement product with equal or better specifications. Please see the table below for the suggested replacement.

### Inventory and Last Time Buy

Please note that remaining inventory will be available on a first come first served basis. We will work closely with current customers to navigate this transition.
