## Transition Notice: Elo Wallaby™ Self-Service Stands

### Product Information

Please be advised that the Wallaby Self Service Stand part numbers are being discontinued and replaced with new part numbers, announcing in June 2019. While we work to minimize product changes, product refreshes are needed from time to time to keep the product current with new technology and features.

The new Wallaby Self Service Stands offer support for both 15" and 22" displays in portrait and landscape orientation, allow for height adjustability, expand printer compatibility and include a 4-port USB 3.0 Hub for increased connectivity. Please see the table below for the suggested replacement products.

### Inventory & Last Time Buy

- Please note that the remaining inventory will be available on a first come first serve basis
- Please consult with your sales representative for specific part numbers and details
- Recommended replacement part may not be electrically or mechanically identical to the discontinued product
