EOL Notice: Windows 7 Computer Modules (ECMG3)

Product Information

Please be advised that all Elo Windows 7 computer modules (ECMG3) are being discontinued. While we work to minimize product changes, shifts in product demands can drive portfolio changes. When this occurs, we try to offer a suitable replacement product with equal or better specifications. Please see the table below for the suggested replacement.

Inventory & Last Time Buy

Please note that remaining inventory will be available on a first come first served basis. We will work closely with current customers to navigate this transition.
