Transition Notice: Wallaby™ POS Stand

Product Information

Please be advised that the current Wallaby POS Stand is being transitioned to a new part number. The new Wallaby POS stand adds support for a customer-facing display (1002L, 1302L, 1502L) to be mounted on the back of the stand. While we work to minimize product changes, product refreshes are needed from time to time to keep the product current with new technology and features.

Last Time Buy & Last Time Ship

- Please note that remaining inventory will be available on a first come first served basis.
- Please consult with your sales representative for specific part numbers and details as well as sample availability for the Wallaby POS Stand.
- Recommended replacement part may not be electrically or mechanically identical to the discontinued product.
