## Transition Notice: X-Series 15-inch Touchscreen Computers

### Product Information

Please be advised that the X-Series 15-inch Touchscreen Computers are being discontinued and transitioned to the new EloPOS System. While we work to minimize product changes, they are needed from time to time. When this occurs, we try to offer a suitable replacement product with equal or better specifications. Please see the table below for suggested replacements.

Two EloPOS System units are shown against a blue background. One is a 15.6-inch unit with a touchscreen displaying a 'START NOW' button and a search bar. The other is a larger unit behind it.
