Transition Notice: 5551L Interactive Display

Obsolete Product Information

As part of a major upgrade to Elo's Large Format Interactive Displays announced in 2019, the 5551L is being discontinued and transitioned to the new [5553L](#). The new 5553L offers engaging 4K resolution, PCAP or IR touch technologies and added flexibility for both signage and collaboration use, all at a significantly lower price.

5553L | 4K | 55-inch Interactive Displays

Perfect for everything from endless aisle and brand experiences to collaborative meetings, conferencing and whiteboarding, the 5553L offers a sleek, slim design purpose-built for commercial use. The 5553L Interactive Display offers:

- 4K • PCAP or IR • Ready for 24/7 use
- On-Site Exchange Included with 3-year standard warranty
- Optional Windows 10 Computer Module
- Compliant with UL-60950 & IK-07 impact testing
- Compatible with EloView® via Elo Backpack®

Please see the table below for the suggested replacement offerings – Infrared (E628244), PCAP with Anti-Glare Glass (E628053) and PCAP with Clear Anti-Friction Glass (E914973)

Inventory and Last Time Buy

Please note that remaining inventory will be available on a first come first served basis. We will work closely with current customers to navigate this transition.
