Transition Notice: X-Series 17-inch Touchscreen Computers

Product Information

As part of the major upgrade to Elo's Windows POS offerings announced over the past year, the remaining 17-inch X-Series part numbers are being discontinued and transitioned to the new 17-inch EloPOS System™ coming soon. While we work to minimize product changes, they are needed from time to time. When this occurs, we try to offer a suitable replacement product with equal or better specifications. Please see the table below for suggested replacements.

EloPOS Modern. Modular. Made for Retail.

The versatile EloPOS System combines modern aesthetics, modular flexibility and commercial-grade reliability. Purpose-built for point of sale, EloPOS offers:

- 15.6-inch, 15-inch (4:3), 17-inch and 21.5-inch sizes
- Intel 8th gen Processors • Windows 10 or Linux compatibility
- Elo Edge Connect™ compatible on all four sides
- Integrated Expansion Hub to connect accessories
- USB-C to add single cable customer-facing display

Elo reserves the right to change or update, without notice, any information contained herein; to change, without notice, the pricing, availability, design, construction, materials, processing or specifications of any products; and to discontinue or limit production or distribution of any products.
