## Transition Notice: Medical-Grade Touchscreen Monitors

### Product Information

As part of an upgrade to the 03-Series Medical-Grade Touchscreen Monitors, we are transitioning to new part numbers for the 1903LM, 2203LM, 2403LM and 2703LM. The new models offer DICOM 14 pre-calibration for image consistency and accuracy, serial (RS232) touch support via the VGA connector and compliance with regulatory requirements for UL62368-1, CEC and ES8.0 panels. With these new features, Elo's Medical-Grade Monitors are well positioned for applications in the secondary display medical market.

### 03-Series Medical-Grade Touchscreen Monitors

The new 03 monitors offer:

- DICOM (14) pre-calibrated • Anti-glare display
- Compliant with IEC 60601-1, IP54 and IK06 impact testing
- 10-touch PCAP with touch thru support for privacy filters, latex gloves and 3mm cover glass
- USB & RS232 touch interfaces • Black or white housing
- 3-year standard warranty with optional AUR

### Inventory and Last Time Buy

- Please note that we are providing a seven-month transition overlap from the launch of the new products to LTB of the current 03LM's.
- Last time buy orders will be accepted through **June 25, 2021** with last time ship to be completed by **October 8, 2021**.
- Please consult with your sales representative for specific part numbers and details.
- Recommended replacement part may not be electrically or mechanically identical to the discontinued product.

## Obsolete & Replacement Part Numbers

Obsolete Part Number	Obsolete Marketing Description	Replacement Part Number	Replacement Marketing Description
