Transition Notice: 02-Series Webcam

Product Information

As part of the major upgrade to the Elo Edge Connect™ product line, the 02-Series Webcam is being discontinued and transitioned to the new Webcam announced in December 2020.

The new webcam offers full HD video, an 8MP USB camera, integrated microphone and compatibility with standard USB Video Class (UVC) drivers. Designed to seamlessly integrate with a variety of Elo interactive displays, simply pair the webcam with 3rd party software to implement facial recognition applications - from personalized experiences to virtual assistants.

Inventory and Last Time Buy

- Please note that remaining inventory will be available on a first come first served basis. We will work closely with existing customers to navigate this transition.
- Please consult with your sales representative for specific part numbers and details.
- Recommended replacement part may not be electrically or mechanically identical to the discontinued product.
