Transition Notice: 3202L IR Interactive Display

Product Information

As part of the major upgrade to Elo's Large Format Interactive Displays, the 3202L IR model is being discontinued and transitioned to the newly announced 3203L. The new interactive display offers anti-friction glass, USB-C, ECMG4 compute module compatibility and upgraded touch performance to 40 touches. While we work to minimize product changes, they are needed from time to time. When this occurs, we try to offer a suitable replacement product with equal or better specifications.

3203L Interactive Display

Perfect for everything from endless aisle and brand experiences to menu boards, collaborative meetings and dashboarding, the 3203L offers the same sleek, slim designs purpose-built for commercial use.

40-touch PCAP • Ready for 24/7 use
 Clear glass with anti-friction • USB-C Connectivity
 Optional Win 10 Compute • Compatible with Elo Huddle Kit
 Advance Unit Replacement Included with 3-year warranty
 Compliant with UL-60950 & IK-07 impact testing
 Compatible with EloView[®] via Elo Backpack[®]

Inventory and Last Time Buy

- Please note that remaining inventory will be available on a first come first served basis. We will work closely with existing customers to navigate this transition.
- Last time buy orders will be accepted through **April 30th, 2021** with last time ship to be completed by **July 31st, 2021**.
- Please consult with your sales representative for specific part numbers and details.
- Recommended replacement part may not be electrically or mechanically identical to the discontinued product.
