Transition Notice: E-Series 15-inch (15E2) Touchscreen Computers

Product Information

As part of the major upgrade to Elo's Windows POS offerings announced over the past year, the remaining 15-inch E-Series Touchscreen Computers are being discontinued and transitioned to the new 15-inch 16:9 EloPOS™ System. While we work to minimize product changes, they are needed from time to time. When this occurs, we try to offer a suitable replacement product with equal or better specifications. Please see the table below for suggested replacements.

EloPOS

Modern. Modular. Made for Retail.

The versatile EloPOS System combines modern aesthetics, modular flexibility and commercial-grade reliability. Purpose-built for point of sale, EloPOS offers:

- 15.6-inch, 15-inch (4:3), 17-inch and 21.5-inch sizes
- Intel 8th gen Processors • Windows 10 or Linux compatibility
- Elo Edge Connect™ compatible on all four sides
- Integrated Expansion Hub to connect accessories
- USB-C to add single cable customer-facing display

E-Series 15-inch (15E2) Last Time Buy & Last Time Ship

- Please note that remaining inventory will be managed on a first-come, first-served basis with last time buy.
- Please consult with your sales representative for specific part numbers and details.
- Recommended replacement part may not be electrically or mechanically identical to the discontinued product.
