Transition Notice: Elo Edge Connect™ 2D Barcode Scanner

Product Information

Please be advised that our current Elo Edge Connect 2D Barcode Scanners are being discontinued and replaced with upgraded models releasing on the September 2021 Price List. The new barcode scanners offer enhanced OCR, scan distance, viewing angle and resolution. For more information about the new models, please review the [datasheet](#). While we work to minimize product changes, they are needed from time to time. When this occurs, we try to offer a suitable replacement product with equal or better specifications.

Inventory and Last Time Buy

- Please work your distribution partner on securing any remaining availability inventory of E926356
- For E926356 last time buy orders will be accepted through **September 3rd, 2021. Due to supply chain constraints, all new orders will be NCNR only.**
- For E393160 last time buy orders will be accepted through **September 30th, 2021.**
- Please consult with your sales representative for specific part numbers and details.
- Recommended replacement part may not be electrically or mechanically identical to the discontinued product.
