Transition Notice:
Elo Edge Connect™
NFC/RFID

Product Information

Please be advised that our current Elo Edge Connect NFC/RFID kit is being discontinued and replaced with an upgraded model that was released on the November 2021 Price List. The new model offers multi-interface support, dual frequency and mobile access. While we work to minimize product changes, they are needed from time to time. When this occurs, we try to offer a suitable replacement product with equal or better specifications

Last Time Buy & Last Time Ship

- Please note, the remaining inventory will be managed on a first-come, first-served basis
- Please consult with your sales representative for specific part numbers and details.
- Recommended replacement part may not be electrically and mechanically identical to the discontinued product.
